

Curriculum Vitae

Mark A. Hurt, MD

March 11, 2024

Cutaneous Pathology
WCP Laboratories, Inc.
2326 Millpark Drive
Maryland Heights, Missouri 63043-3530

Telephone (314) 991-4470

Fax (314) 991-4309

Electronic Mail: MarkHurt@aol.com

Personal Information

Full Name: Mark Albert Hurt, BS, MD, FASD

Date of Birth: January 29, 1956

Place of Birth: Huntsville, Walker County, Texas, USA

Citizenship: United States of America

UPIN #: C17257

NPI # 1891866190

Education

June 1978-15 May 1982: University of Missouri-Columbia, School of Medicine (MD)

Aug 1974-May 1978: Southeast Missouri State University, Cape Girardeau (BS, Summa Cum Laude)

Aug 1970-27 May 1974: East Prairie High School, East Prairie MO (Valedictorian)

Post-Graduate Training

1 July 1987-30 June 1988: Cutaneous Pathology, St. John's Mercy Medical Center, St. Louis, Missouri (Fellow)

1 July 1986-30 June 1987: University of Missouri-Columbia Hospital and Clinics (Chief Resident, Anatomic Pathology)

1 July 1982-30 June 1986: University of Missouri-Columbia Hospital and Clinics

(Resident, Pathology)

Current Professional Position

1 May 1997-Present: Cutaneous Pathologist (Dermatopathology)

2017 to Present: President & Treasurer, WCP Pathology, PC & Laboratories, Saint Louis, Missouri.

Prior Volunteer Positions

[Past-President, American Society of Dermatopathology](#) (Term was Nov 2014-Oct 2015) - elected

Past Editor in Chief, [DermPathPro](#) (1 July 2013-1 November 2016)

Current Academic Affiliations

None

Prior Academic Appointments

1 July 2013-1 July 2016: Volunteer Faculty, [Division of Dermatology](#), Washington University School of Medicine, Saint Louis, Missouri

8 June 2001-1 July 2013: Instructor of Clinical Medicine in Dermatology, Division of Dermatology, Washington University School of Medicine, Saint Louis, Missouri

1 July 2002-1 July 2013: Clinical Associate Professor of Dermatology, Department of Dermatology, Saint Louis University School of Medicine, Saint

Louis, Missouri

1 July 1988-30 June 1991: Assistant Professor of Pathology. [The University of Texas Health Science Center, San Antonio, Texas, Department of Pathology](#), Division of Surgical Pathology, Section of Cutaneous Pathology (Director).

Prior Employment

Staff Appointment (ended Jan 2003): Forest Park Hospital, Saint Louis, Missouri

Staff Appointment (ended Jan 2003): Des Peres Hospital, Saint Louis, Missouri

1 July 1991-30 April 1997: Cutaneous Pathologist. St. John's Mercy Medical Center, St. Louis, Missouri (St. Louis Pathology Associates, Inc.)

1 July 1988-30 June 1991: Attending Staff Pathologist, Laboratory Medicine, [Audie L. Murphy Memorial Veterans Administration Hospital, San Antonio, Texas](#)

1 July 1988-30 June 1991: Attending Staff Pathologist, Department of Pathology, Medical Center Hospital, San Antonio, Texas

Certification

Lifetime Diplomate, American Board of Pathology (Anatomic Pathology), November 11, 1988

Lifetime Diplomate, American Boards of Pathology and Dermatology (Dermatopathology), November 9, 1990

Licensure

Missouri: [36381](#) Expires 1/31/2025 (Issued 8/11/1982)

Texas: [H4967](#) Expires 8/31/2025 (Issued 12/6/1988)

Colorado: [DR.0068150](#) Expires 4/30/2025 (Issued 2/10/2022)

Platform Presentations

Hurt MA, Santa Cruz DJ. Sclerosing inflammatory nodules of the skin: Lesions mimicking cutaneous and subcutaneous lymph nodes. Presented to the American Society of Dermatopathology, San Antonio, Texas, December 2, 1987.

Hurt MA, Santa Cruz DJ. Encapsulated fat necrosis. Report of four cases. Presented to the International Society of Dermatopathology, Oxford, England, September 4, 1988.

Hurt MA, Janney C, Santa Cruz DJ. Deep Juvenile Xanthogranuloma. Intramuscular and subcutaneous forms. Presented to the American Society of Dermatopathology, Washington, DC, December 2, 1988.

Hurt MA, Halvorson RD, Petr Jr FC, Cooper Jr JT, Friedman DJ. Eccrine squamous metaplasia. A probable noninflammatory post-chemotherapeutic lesion in the histologic spectrum of "neutrophilic eccrine hidradenitis." Free communication at the International Update in Dermatology and Dermatopathology. Sponsored by the British Society for Dermatopathology and the Pathological Society of Great Britain and Ireland. Presented in Brighton, England, September 3, 1989.

Hurt MA, Halvorson RD, Petr Jr FC, Cooper JT, Friedman DJ. Eccrine squamous syringometaplasia. A cutaneous sweat gland reaction in the histologic spectrum of "chemotherapy-associated eccrine hidradenitis" and "neutrophilic eccrine hidradenitis." Seminal Case Report, American Society of Dermatopathology, San Francisco, California, November 30, 1989.

Hurt MA, Igra-Serfaty HI, Stevens CS, Howard KL, Burrell N. Eccrine syringofibroadenoma: acrosyringeal neoplasm or acrosyringeal nevus? Report of two patients. Seminal Case Report, American Society of Dermatopathology, San Francisco, California, November 30, 1989.

Bluestein JA, Hurt MA. Sporotrichoid bacillary angiomatosis. Southern Dermatology Society Meeting, Corpus Christi, Texas, May 19, 1990.

Hurt MA, Gillham SL, Morrison RG. Epidermotropic Neuroendocrine Carcinoma. Report of a probable case with nested and lentiginous patterns similar to the epidermal final common pathway of malignant melanoma. 11th Annual Colloquium of the International Society of Dermatopathology, Reims, France, June 14, 1990.

Hurt MA, Hardarson S, Stadecker MJ, Santa Cruz DJ. Epidermotropic mucinous carcinoma of perineum. Association with fibroepithelioma-like changes. Seminal case presentations, American Society of Dermatopathology, Atlanta, Georgia, November 29, 1990.

Krause KI, Tieman JM, Stevens CS, Hurt MA. Pilomatricoma in organoid nevus. Gross and microscopic dermatology symposium, American Academy of Dermatology, Atlanta, Georgia, Dec 2, 1990.

Perkocha LA, Ferrell L, Yen TSB, White W, McCallmont T, Hurt MA, Banks P, LeBoit PE. Extracutaneous manifestation of bacillary angiomatosis. Proffered paper, United States-Canadian Division of the International Academy of Pathology, Chicago, Illinois, March 19, 1991.

Hurt MA, Hardarson S, Stadecker MJ, Santa Cruz DJ. Fibroepitheliomatous Paget's Phenomenon: Fibroepithelioma-like changes associated with anogenital epidermotropic mucinous carcinoma. Free communication, 12th Colloquium of the International Society of Dermatopathology, Lübeck, Germany, June 14, 1991.

El-Mofty SK, Cocayne DR, Hurt MA, Santa Cruz DJ. Tubulopapillary hidradenoma-like tumor of the mandible: Report of a case. Annual meeting, American Academy of Oral and Maxillofacial Pathology, Vancouver, British

Columbia, May 1997.

Abdelmalek M, Hurt MA, Hruza GJ. Geometric staged excisions for lentiginous melanoma in situ. Abstract Session GD250: Latest Advances in Skin Cancer. American Society for Dermatologic Surgery, Chicago IL, 12 Oct 2007

Bowen AR, Naderi N, Hurt MA, Grossman D, Coffin C. Infantile myofibromatosis: a histological and immunochemical analysis of 48 tumors. Presented at the American Society of Dermatopathology, San Francisco CA, 18 Oct 2008.

Nelsen CA, Hurt MA, Youker SR, Gapp J, Hurley MY. Intralymphatic histiocytosis in MOHS margin evaluation: a mimicker of lymphovascular carcinoma invasion. Presented by Dr. Nelsen to colleagues at the Duel in Dermatopathology, American Society of Dermatopathology, Chicago IL, 1 October 2009 (First Prize)

Invited Lectures

Hurt MA. Malignant melanoma microstaging: pitfalls and perspectives. Presented to the University of Texas Health Science Center, Department of Pathology, San Antonio, Texas, February 1, 1988.

Hurt MA. Malignant melanoma microstaging: pitfalls and perspectives. Presented to the Missouri State Medical Association, Kansas City, Missouri, March 18, 1988.

Hurt MA. Malignant melanoma microstaging: pitfalls and perspectives. Presented to the University of Missouri Department of Pathology, Columbia, Missouri, April 1988.

Hurt MA. Malignant melanoma microstaging. Presented to the medical-surgical staff of the Ozarks Medical Center, West Plains, Missouri, August 11, 1989.

Hurt MA. Cutaneous adnexal tumors. Differential diagnosis. Presented to the San Antonio Society of Pathologists, May 1, 1990.

Hurt MA. Cutaneous Paget's disease. A conceptual approach. Presented to the Faculty and Staff of the University of Texas Health Science Center @ San Antonio, August 13, 1990.

Hurt MA. Cutaneous Paget's disease. A conceptual approach. Presented to the Faculty and Residents of the Department of Pathology, St. John's Mercy Medical Center, St. Louis, Missouri, October 29, 1990.

Hurt MA. Pathologist's role in skin cancer diagnosis. A community education program. The most common cancer: you can protect yourself (moderator). St. John's Mercy Medical Center, St. Louis, Missouri, April 25, 1992.

Hurt MA. The doctor and national health care. The slave of medical statism. Speech read before students at the University of Chicago. Sponsored by Students for Capitalism in Medicine. Chicago, Illinois, May 5, 1992.

Hurt MA. Teaching seminar in dermatopathology for dermatology residents. Barnes Hospital, St. Louis, Missouri, May 11, 1992.

Hurt MA. Dermatopathology. General lectures (2 hours) presented to students of the Pathology Review Course, Osler Institute. Indianapolis, Indiana, May 26, 1992.

Hurt MA. Dermatopathology. General lectures (2 hours) presented to pathology residents at St. John's Mercy Medical Center, St. Louis, Missouri, June 9, 1992.

Hurt MA. Teaching seminar in dermatopathology for dermatology residents. Barnes Hospital, St. Louis, Missouri, June 15, 1992.

Hurt MA. Malignant melanoma microstaging: historical perspective, practical applications, and potential pitfalls. Second Regional Dermatopathology Colloquium sponsored by the International Society of Dermatopathology and Ain Shams University, Cairo, Egypt, September 18, 1992.

Hurt MA. Fibroepitheliomatous Paget's phenomenon: fibroepithelioma-like changes associated with anogenital epidermotropic mucinous carcinoma. Second

Regional Dermatopathology Colloquium sponsored by the International Society of Dermatopathology and Ain Shams University, Cairo, Egypt, September 18, 1992.

Hurt MA. Pathology of breast cancer. Delivered in the seminar: "Breast Cancer: Putting the Pieces Together." Sponsored by St. John's Mercy Medical Center and The American Cancer Society, St. Louis, Missouri, October 3, 1992.

Hurt MA. Introduction to cutaneous pathology. Lecture at St. Louis Community College @ Meramec, St. Louis, MO, February 10, 1993.

Hurt MA. Malignant melanoma microstaging: historical perspective, practical applications, and potential pitfalls. Delivered to Dermatopathology Associates of New York, New Rochelle, NY, March 4, 1993.

Hurt MA. Malignant melanoma microstaging: historical perspective, practical applications, and potential pitfalls. Delivered to the department of dermatopathology, Yale University, New Haven, CT, March 10, 1993.

Hurt MA. Adnexal tumors of the skin. Delivered to the III Curso Nacional de Actualizacion en Oncologia Cutanea, Hospital General de Catalunya, Servicio de Dermatologia, Barcelona, Spain, April 24, 1993.

Hurt MA. New cutaneous tumors. Delivered to the III Curso Nacional de Actualizacion en Oncologia Cutanea, Hospital General de Catalunya, Servicio de Dermatologia, Barcelona, Spain, April 24, 1993.

Hurt MA. Adnexal tumors of the skin. Delivered to the residents of pathology, St. John's Mercy Medical Center, St. Louis, MO, April 15, 1994.

Hurt MA. The 1994 Missouri Health Assurance Bill: Observations from a pro-Individual Rights Perspective. Delivered to an Assembly for Medical Liberty sponsored by American for Free Choice in Medicine, Costa Mesa, CA, July 16, 1994.

Hurt MA. Adnexal tumors of the eyelids. Delivered to the American Society of Dermatopathology, New Orleans, LA, February 1, 1995.

Hurt MA. Why health care is not a right. An individual rights perspective. Delivered to University of Health Sciences, College of Osteopathic Medicine, Kansas City, MO, February 24, 1995.

Hurt MA. The Dysplastic Nevus: Fact or Fiction? Lecture to Residents at Saint Louis University Department of Dermatology, Saint Louis MO, May 22, 2003

Hurt MA. A historical perspective on the histopathology of congenital ectodermal defects, including AEC Syndrome. Presented at the Workshop on Skin Erosion and Wound Healing in Ankyloblepharon-Ectodermal Defect-Cleft Lip and/or Palate. Sponsored by the National Foundation for Ectodermal Dysplasias, Saint Louis, MO, September 18, 2003

Hurt MA. The Dysplastic Nevus: Fact or Fiction? Lecture to Faculty and Residents at Boston University School of Medicine, Dermatology/Dermatopathology, Boston MA, October 13, 2004.

Hurt MA. What is an Atypical Melanocytic Nevus? Lecture to faculty and residents at Saint Louis University Department of Dermatology, Saint Louis MO, March 17, 2005.

Hurt MA. What is an Atypical Melanocytic Nevus? Lecture to fellows at the Ackerman Academy of Dermatopathology, New York NY, April 25, 2005.

Hurt MA. The Dysplastic Nevus: Fact or Fiction? Lecture to participants of the 1st Annual New Jersey Melanoma Symposium, Jersey City NJ, October 15, 2005.

Hurt MA. The Dysplastic Nevus: Fact or Fiction? Lecture to participants of The John J. Kepes Annual Scientific Symposium. University of Missouri-Kansas City School of Medicine. Kansas City, MO, November 5, 2005.

Hurt MA. The Dysplastic Nevus: Fact or Fiction? Lecture to residents in dermatology, University of Missouri School of Medicine, Columbia, MO, June 23, 2006.

Hurt MA. Great cases from St. Louis. Indiana Association of Pathology, 58th Annual Spring Slide Seminar and CME Conference. Saturday, April 28, 2007, Oak Hill Mansion, 5801 E. 116th Street, Carmel, IN 46033. (in conjunction with Santa Cruz DJ)

Hurt MA. My most extreme case - intralymphatic histiocytosis. 11th Joint Meeting of the International Society of Dermatopathology, St. Anthony Hotel, San Antonio TX, 30 January 2008.

Hurt MA. Atypical & Atypia - It's not like that in textbooks. 11th Joint Meeting of the International Society of Dermatopathology, St. Anthony Hotel, San Antonio TX, 31 January 2008.

Hurt MA. Atypia & Atypical: not like that in textbooks. Presented to Fellows at

the Ackerman Academy of Dermatopathology, New York City, NY, 11 February 2008.

Hurt MA. Atypia & Atypical: not like that in textbooks. Presented to the Department of Dermatology, Saint Louis University, Saint Louis MO, 26 June 2008.

Hurt MA. Dysplastic Nevus: Fact or Fiction? Presented to residents at the University of Missouri-Columbia, Department of Pathology, Columbia, MO, 5 Dec 2008

Hurt MA. Case Presentations. Presented to residents at the University of Missouri-Columbia, Department of Pathology, Columbia, MO, 5 Dec 2008

Hurt MA. Rights: Who Needs Them? Presented to colleagues at Dermatopathology and Beyond It III. Pavia Italy, 18 April 2009

Hurt MA. Atypia: Not Like That in Textbooks. Presented to dermatology residents at Barnes-Jewish Hospital, St. Louis MO, 7 May 2009

Hurt MA. Follicular proliferations: my cases and yours. Consultations in Dermatopathology, Course 101, American Society of Dermatopathology, Chicago IL, 1 October 2009

Hurt MA. Lessons from Lawsuits. Presented to colleagues at the American Society of Dermatopathology, Chicago IL, 1 October 2009

Hurt MA. Hair Follicle Proliferations: My Cases and Yours. Consultations in Dermatopathology, Course 101, American Society of Dermatopathology, Atlanta GA, 7 October 2010

Hurt MA. Inflammatory Diseases of the Skin: Conceptual and Algorithmic Approaches. Presented to the Missouri Society of Pathologists at the 154th Annual Convention of the Missouri State Medical Association, St. Louis Renaissance Airport Hotel, St. Louis, MO, 31 March 2012.

Hurt MA. [The Dysplastic Nevus. Dermatopathology Then and Now - Have We](#)

[Travelled?](#) Companion Meeting. The American Society of Dermatopathology. USCAP, March 2, 2014, San Diego, CA.

Hurt MA. Why Origins Matter. Presidential Address, American Society of Dermatopathology, October 10, 2015, San Francisco, CA.

Invited Panel Participation at National and International Meetings

Slide Seminar Panelist. Dermatopathology. XVIIIth International Congress of the International Academy of Pathology. Ninth World Congress of Academic and Environmental Pathology, Buenos Aires, Argentina, September 14, 1990.

Self-Assessment Workshop in Dermatopathology. Course 101. 50th annual meeting of the American Academy of Dermatology. Dallas, Texas, December 7, 1991.

Moderator. Second Regional Dermatopathology Colloquium sponsored by the International Society of Dermatopathology and Ain Shams University, Cairo, Egypt, September 16-19, 1992.

Slide Seminar Panelist. Dermatopathology. Specialty Conference. US & Canadian Division of the International Academy of Pathology. New Orleans, LA, March 16, 1993.

Slide Seminar Panelist. Self-assessment course. American Society of Dermatopathology 33rd annual meeting, Washington, DC, February 8, 1996.

Moderator. Dermatopathology proffered papers. United States and Canadian Academy of Pathology, Orlando, Florida, March 3, 1997.

Coordinator. 1998 Midwest Dermatopathology Workshop. Saint Louis, Missouri, April 4-5, 1998

Co-Coordinator. Dermatopathology Update 2001, Saint Louis MO, Nov 17-18, 2001

Panel member: CYA – The subtleties of reporting in dermatopathology. International Society of Dermatopathology San Francisco CA, March 19, 2003.

Panel member: Challenge the experts, Part II – Adnexal Neoplasms? International Society of Dermatopathology, San Francisco CA, March 20, 2003.

Panel member. Workshop on Skin Erosion and Wound Healing in Ankyloblepharon-Ectodermal Defect-Cleft Lip and/or Palate. Sponsored by the National Foundation for Ectodermal Dysplasias, Saint Louis, MO, September 18-19, 2003

Panel member. Instructive Cases from Instructive Dermatopathologists (Infantile Myofibromatosis). American Society of Dermatopathology, Boston MA, October 14, 2004.

Coordinator, Dermatopathology Companion Meeting of the United States and Canadian Academy of Pathology, San Antonio, TX, February 27, 2005 (Algorithms in the diagnosis of cutaneous lesions).

Coordinator, Dermatopathology Companion Meeting of the United States and Canadian Academy of Pathology, Atlanta, GA, February 12, 2006 (Unresolved quandaries in Dermatopathology - Can we resolve them?).

Panel member, Non-melanocytic Skin Tumors (Folliculosebaceous and apocrine proliferations II), Slide seminar 12, INTERNATIONAL ACADEMY OF PATHOLOGY XXVI INTERNATIONAL CONGRESS September 19, 2006, Montreal, Quebec, Canada, Sponsored by the United States and Canadian Academy of Pathology (USCAP)

Case Presentations, Self-Assessment Course, November 10, 2006, Málaga, Spain, sponsored by the International Society of Dermatopathology (XXXII Symposium).

Coordinator, Dermatopathology Companion Meeting of the United States and Canadian Academy of Pathology, San Diego, CA, March 25, 2007 (Soft Tissue

Tumors Relevant to Dermatopathologists: Diagnostic Dilemmas and how to Resolve Them).

Coordinator, Ackerman Special Session on Rights, Dermatopathology and Beyond It III, Pavia Italy, 18 April 2009

Hurt MA. Selfishness at the microscope: Your diagnosis or your life. A speech presented at the National Press Club, Washington, DC. Sponsored by Americans for Free Choice in Medicine. Redeeming Reform: What Health Care Reform Could Be and Ought to Be: A Briefing. May 10, 2010 [Part 1](#); [Part 2](#)

Posters
